

Petitioner has filed a letter, construed as a motion to lift the stay and reopen the case, as well as a motion to appoint a new attorney (docket # 26). Petitioner indicates that Mr. Morris

1 ceased communicating with petitioner soon after the stay was granted in 2004. Petitioner states  
2 that he last heard from Mr. Morris in a letter dated March 5, 2004, wherein Mr. Morris promised  
3 to start drafting petitioner's state habeas petition as soon as he returned from vacation (docket  
4 #26 at 3, 28). Petitioner states that Mr. Morris has effectively ceased representing him and did  
5 not file a habeas petition in state court to exhaust state remedies. Petitioner states that he and his  
6 mother have attempted to contact Mr. Morris multiple times via phone and mail, without success.  
7 A review of Mr. Morris' records from the State Bar of California indicate that he was found not  
8 eligible to practice law on September 4, 2002, and again on July 1, 2008, when he was  
9 suspended for failure to pay his Bar member fees. Mr. Morris was returned to active status on  
10 July 15, 2008. On July 10, 2008, during his suspension for failure to pay dues, Mr. Morris  
11 entered into a settlement with the State Bar of California wherein he stipulated to three counts of  
12 misconduct committed while he represented a woman who was attempting to reduce her two-  
13 year driver's license suspension to one year. Mr. Morris accepted an advance fee, but failed to  
14 perform the requested legal services and did not keep the client informed of developments in her  
15 case, despite requests by the client's husband over a year-long period. On November 10, 2008,  
16 Mr. Morris received a one-year suspension, which was stayed, and was placed on probation.

17 In light of Mr. Morris' inadequate representation of petitioner in this case as well as his  
18 disciplinary record, Petitioner's motion to appoint new counsel and to reopen this case are  
19 **GRANTED**. The stay of this case is **LIFTED**.

20 The Clerk shall send a copy of this order to the Federal Public Defender's Office for their  
21 prompt selection of a qualified attorney to substitute in place of Mr. Morris as petitioner's  
22 attorney in this matter. Selected counsel shall file an appearance as soon as he is selected and,  
23 within 30 days of his appearance, shall file a status report.

1           The Clerk shall reopen the file. As the district judge assigned to this case has retired, the  
2 Clerk shall reassign this case to a new district judge pursuant to the court's assignment plan.
